Parental Feedback

Could I ask parents to provide feedback about the school on Ofsted's Parentview website? It is <https://parentview.ofsted.gov.uk> At each parents' consultation evening we ask parents to provide us with feedback, which is overwhelmingly positive, with one or two specific queries or concerns. We collate the feedback as a way of monitoring parental satisfaction. However, with Ofsted in the wings (complete with envelopes of possible outcomes – no mix-ups I hope!) we need to ensure that the views of parents are properly collated by Ofsted themselves. The best way to do this is through their website: <https://parentview.ofsted.gov.uk/> . If you are able to find the time to do this over the weekend I would be really grateful. Many thanks in advance.
